

SAFE AUDIT

CERTIFICATE

OF ACHIEVEMENT
THIS IS TO CERTIFY THAT

Continental Hotel Hurghada

Has been assessed by Safe Audit and has demonstrated compliance with the requirements of :

Water Management & Legionella Control Assessment

Safe Audit carried out a Water Hygiene & Legionella Assessment on 17 June 2026. At the time of the audit, the property was found to be operating a water safety programme intended to control risks associated with potable, recreational, and spa water systems, in line with local regulation and recognised industry guidance.

Valid Until: April 2027

Ahmed Gamal
Business Manager

The assessment is based solely on the conditions observed by Safe Audit Consultation on the audit date and on information and records made available by the hotel at that time. This certificate does not constitute a warranty or guarantee of continuous safety, quality, or legal compliance and does not replace inspections by regulatory authorities. Ultimate responsibility for compliance with all applicable laws and regulations, and for the ongoing implementation of relevant controls, rests with the hotel's management.
